## What is a Utility Search?

Here at CentremapsLive we are partnered with Apogee. Apogee draws on decades of experience and the best modern utility search techniques to bring its clients this fully PAS 128 & HSG 47 compliant utility search. The search often checks in excess of 50 utility companies and underground utility plant owners. The service covers all of the independent operators (IGTs & IDNOs) and telecommunications companies.

A fresh search every time delivered in unlocked pdf with a useful summary page that identifies the affected and unaffected utilities as well as confirming the list of the utilities searched.

## Who is the Utility Search suitable for?

Solicitors, Clients, Designers & Contractors Developers, Local Authorities Consultants, Architects, Design & Build Contractors, Contractors, Highways scheme promoters, Surveyors and Health & Safety consultants.
